Donations, Legacies and Fundraising

Between July 2023 and June 2024, SARAG helped 311 service users access **£4.3 million in benefits and compensation** through government schemes. In future years, we want to help even more people access monies they are likely entitled to.

How can you help other people suffering from Asbestos related conditions?

For a one-time donation of **£500**, you could support an individual at every step of their journey with our charity. You would guarantee they receive expert benefit advice, emotional support, and legal signposting.

Alternatively, for a one-time donation of **£300**, you would guarantee an individual receives expert welfare advice. Or a one-time donation of **£200** would guarantee an individual receives emotional support from SARAG.

On average, our service users are £24,000 better off because of the support we offer.

We welcome donations, legacies or fundraising to enable us to provide our service to all that need it.
